Got it and thank you 😊

No thank you!

7/22/19, 8:30 PM

If you are around can you come by Spring Street between 5/6 East side by LATC? Just on a rotation? There is a contingency of about 10 or so ppl posted up there. Not sure why. Kinda ruckus

Nothing urgent but your presence would help

No problem... we will swing by in about 5 minutes... we are clearing from out location shortly

Thank you
